## Rules of the game – Ace Pigeons:

All four price flights are considered. In the first place are the price kilometers and second is the total flight time. The pigeon with the most price kilometers and the lowest total flight time wins the Ace Pigeon championship.

## Rules of Participation

With the registration you accept the participation rules.  
The registration fee is **150,00 Euro per Pigeon**.

**Special Fair offer until 31.01.2020**

**7 Pigeons (5+2) = 750 €**

**4 Pigeons (3+1) = 450 €**

**NEW 2020:** For five paid pigeons the sixth pigeon may participate for free.

**6 Pigeons (5 + 1) = 750 €**

All pigeons pass into the possession of the organizer after the delivery. Each pigeon should be at least 35 days old at the point of delivery and has to be vaccinated against paramyxoviruses at least 10 days before being delivered. Each pigeon has to have an original certificate of vaccination on delivery.

Of all the pigeons that are auctioned **online** after the final flight, **\*50 % of the auction profit** goes directly to the breeder. If a pigeon is delivered **without pedigree** (until 31.05.2020 latest), the organizer reserves the auction profit.

Each pigeon has to wear a closed ring with **the ring card from 2020**. The delivery is possible only from **01.04. until 10.05.2020**. Upon delivery of the pigeons, the corresponding **pedigrees** must be submitted. In preparation for the prize flights, training flights are carried out at distances between 5 and 100 kilometers.

### **NEW 2020:** Flight direction **South - East**

Non-integrated pigeons may be replaced by their own in the phase of delivery until 31.05.2020 at the latest.

The four price flights are staged in bronze-race, silver-race, golden-race and final flight (**~ 400 km**). The organizer has the right to change the timetable.

The **„Lucky-Loser-Pool“** allows lost pigeons to be replaced by those in the LLP. These LLP pigeons may be activated before any price flight.

If more or less than 1.000 paid pigeons are reported, the prize money will be adjusted in percentage terms.

Each Team has to name a contact person and bring a completed registration form or fill it out online.

By registering, everyone agrees to the publication of his name, as well as event images on the homepage of Preußenderby and on Facebook (Preußen-Derby).
